公司简介

腾达防爆科技有限公司系全国无区域股份制企业。始建于1997年，位于中国电器之都、中国防爆电器生产基地-乐清经济开发区。公司总占地面积10000多平方米，建筑面积25000多平方米，注册资金11800万元。是中国防爆协会理事单位，浙江省防爆电气行业协会副会长单位。

公司前身为浙江腾达防爆电气有限公司，专业生产、设计、销售防爆电器、防爆灯具、防爆开关、防爆管件、防爆防腐电器、防爆风机、防爆仪表、防爆气体探测、防爆制热制冷等系列产品。公司依据ISO9001体系管理生产，先后通过了ISO1400环境管理体系认证，ISO18001职业健康安全管理体系认证，同时拥有相应的防爆生产许可证、防爆合格证。曾获得“浙江省科技型企业”、“温州市科技创新企业”、“全国防爆电气设备标准化企业”、“安全生产标准企业”；“乐清市明星企业”等荣誉称号。

公司经过多年的管理发展升级，培养了一支结构合理，技术力量雄厚，技术技能精湛的研发和工程服务队伍。随时为客户提供优质的技术服务和售前、售后服务。经过技术团队的设计和改进行，公司产品都拥有自主知识产权和相应的专利发明证书。

公司拥有现代化生产车间，不断引进进口和国产先进设备，自动半自动压铸机、全自动半自动焊接机器人、数控车床、加工中心、数控铣床、钻攻、切削中心、自动喷涂设备等。公司最新投入数百万元购入分布式光度计、光谱分析仪、高低温试验箱、盐雾试验箱、防护检验测量等，严格按照国家实验室检测布置。随时为公司的产品质量检测和新产品的研发创新提供最准确的检测数据与科学依据。

公司产品目前拥有100多种系列，1000多种规格。产品广泛应用于石油、化工、天然气、煤炭、航天航空、船舶、海洋、军工、消防、电子、铁路、冶金、医药等行业。畅销国内、中东、俄罗斯、北美等大型市场，产品深受广大用户的好评和信赖。

腾达人以一贯的信心和毅力，为造就“腾达”品牌而努力！

公司董事长郑元旦先生携全体员工欢迎广大用户莅临指导，携手共进。

Company Profile

Tengda explosion proof Technology Co., Ltd. is a national non regional joint stock enterprise. Founded in 1997, is located in China Electrical capital, China explosion-proof electrical production base - Yueqing economic development zone. The company covers an area of more than 10 thousand square meters, construction area of more than 25 thousand square meters, registered capital of \$50 million. Is China explosion-proof association director unit, Zhejiang explosion-proof Association vice president unit.

The company formerly known as Zhejiang Tengda Explosion-proof Electric Co. Ltd., specializing in the production, design and sales of explosion-proof electrical equipment, explosion-proof lamp, explosion-proof switch, explosion-proof, explosion-proof electrical fittings, explosion-proof fan, explosion-proof explosion-proof explosion-proof meter, gas detection, heating and cooling and other products. Company based on ISO9001 system management production, has passed the ISO1400 environmental management system certification, ISO18001 occupation health and safety management system certification, at the same time have the corresponding explosion-proof production license, explosion-proof certificate. Won the "science and technology enterprises in Zhejiang province", "Wenzhou city science and technology innovation enterprise", "national explosion-proof electrical equipment standardization enterprise", "production safety standard enterprise"; "Yueqing City Star Enterprise" and other honorary titles.

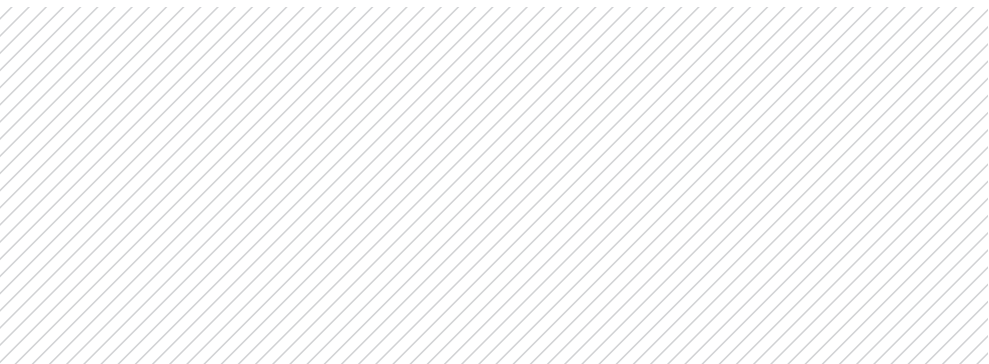

After years of development and upgrading of management, training a reasonable structure, strong technical force, technical skills R & D and engineering services team. At any time to provide customers with quality technical services and pre-sales, after-sales service. After technical team design and improvement, the company's products have independent intellectual property rights and the corresponding patent invention certificate.

The company has modernized production workshop, constantly introducing domestic and imported advanced equipment, automatic and semi - automatic die casting machine, automatic and semi automatic welding robot, CNC lathe, machining center, CNC milling machine, drill, machining center, automatic spraying equipment etc.. The company recently invested millions of dollars to buy distributed photometer, spectral analyzer, high and low temperature test box, salt spray test box, protective testing, etc., in strict accordance with the national laboratory testing layout. At any time for the company's product quality testing and new product R & D innovation to provide the most accurate testing data and scientific basis.

Company products currently has more than 100 series, more than 1000 kinds of specifications. Products are widely used in petroleum, chemical, natural gas, coal, aerospace, shipbuilding, marine, military, fire, electronics, railways, metallurgy, medicine and other industries. Best-selling domestic, Middle East, Russia, North America and other large markets, products by the majority of users praise and trust.

Tengda people with consistent confidence and perseverance, to create "Tengda" brand efforts!

Mr. Zheng Yuandan, chairman of the company with all the staff welcome the majority of users to visit the guide, hand in hand.

营销服务

腾达防爆建立了完善的市场营销体系，全面实施“品牌营销和网络营销”相结合的发展战略，产品畅销全国各地，深受广大客户的信赖和推崇，并为众多重点项目工程服务。

Marketing Services

TENGDA proof established a perfect marketing system, the full implementation of the "brand marketing and network marketing" a combination of strategy, products sold throughout the country, the majority of customers trust and praise, and for a number of key project engineering services.

腾达防爆积极推行品牌营销服务，不断深度优化销售模式，更好的贯彻快捷、便利、周到的服务营销理念，为客户提供优质的产品和优良的服务，从容应对全球经济一体化，更好的参与国际竞争。

Tengda explosion actively implement brand marketing services, and constantly optimize the depth of sales model, to better implement fast, convenient and thoughtful service marketing concepts, to provide customers with quality products and excellent service, calmly deal with the global economic integration, better participation international competition.

创新引领发展，合作实现共赢

我们在坚持技术创新的同时，不断推进企业的制度创新、管理提升和文化建设，我们本着共建共赢的思想理念，努力为客户创造利益，员工创造价值。

Innovative leading development, win-win cooperation

We insist on innovation of technology at the same time, and continue to promote enterprise's system innovation, management ascension and cultural construction, we in the co-construction and win-win idea, and strive for to create customer benefits, the staff to create value.

服务彰显价值，诚信铸就辉煌

我们视员工和顾客为财富，注重提升内部服务质量，塑造服务文化；我们以服务客户为导向，重视顾客需求和顾客价值，不断提升外部服务质量。

TENGDA
Explosion-Proof

高度决定视野，角度改变观念，尺度把握未来。

国际化的视野、高标准的要求，迅速树立腾达在防爆行业的标杆地位；汇顶尖的研发力量，融国际先进生产检测设备，倾力打造一流防爆电器制造中心。

Height determines the field of view angle change of mindset, to grasp the scale of the future.

The vision of internationalization, high standard of requirements, quickly establish the TENGDA in explosion proof industry benchmarking status; The top R & D, into the international advanced production testing equipment, tries their best to build first-class explosion-proof electrical manufacturing center.

多少年风雨兼程，造就了腾达品牌。
